Comments from Attendees

It was beneficial to hear other's personal relationship with Mary and how I can better mine.

This dinner gave me a way to get back to the basics by praying to Mary.

We have the most incredible channel to Jesus. The speaker was inspiring and amazing.

This Mary's WAY dinner reminded me to continue to ask for Mary's guidance and devote myself to her. The speaker was amazing and inspired me to be more committed.

This dinner made me realize that God is with us through everything and he wants us to have a relationship with his mother. She will help us grow closer to Jesus.

I was impressed by the number of attendees that care about their faith. I was very impressed by the speaker.

I realize the need to pray the Rosary

I realize the need to get back to saying the Rosary daily and to see our crosses as opportunities.

Tonight, was a powerful reminder to trust in God's Will.

Lean on Mary.

A great place to reflect and be with Catholic women for a meaningful program.

So many great things to list about the night. Wish my husband was here to hear the speakers story.

I learned the importance of Mary and to pray the Rosary.

Great to meet fellow Catholics and share stories.

It reaffirmed my devotion to Mary and encouraged my prayer and intercession through her.

A reminder of Mary's power given to her by God so she can intercede for us.

I learned of the powerful strength of Mary.

The beauty of women coming together to celebrate Mary as the best model for women.
